

End-to-End Test Plan: HR Employee Path

Scenario 1

Given I am a visitor (not logged in).

When I don't fill in the email or password fields of the employee login, and I click on the login button.

Then I stay on the login page, and I am invited to fill in the missing field.

Scenario 2

Given I am a visitor (not logged in).

When I fill in the email field of the employee login in the wrong format (without the form string@chain), and I click on the login button.

Then I stay on the login page, and I am invited to fill in the email field using the right format.

Scenario 3

Given I am a visitor (not logged in).

When I fill in the email fields of the employee login in the right format (in the form string@chain), the password field of the employee login, and I click on the login button.

Then I get sent to the dashboard page.

Scenario 4

Given I am logged in as an employee, and I am on the dashboard page.

When I click on the eye icon in the Actions column.

Then A modal with the image preview must appear.

Scenario 5

Given I am logged in as an employee, I am on the dashboard page, and I clicked on the eye icon in the Actions column.

When I click on the cross icon in the upper right corner or anywhere outside of the modal.

Then A modal must be closed.

Scenario 6

Given I am logged in as an employee, and I am on the dashboard page.

When I click on the New fee button.

Then A form for the expense report must open.

Scenario 7

Given I am logged in as an employee and I opened the expense report form.

When I click on the Send button.

Then I stay on the expense report form page, and I am invited to choose a date in the Date field.

Scenario 8

Given I am logged in as an employee, and I opened the expense report form.

When I click on the Date field.

Then I can type in the date in the mm/dd/yyyy format.

Scenario 9

Given I am logged in as an employee, and I opened the expense report form.

When I click on the calendar icon in the Date field.

Then A calendar interface pops up, and I can choose a date in it.

Scenario 10

Given I am logged in as an employee, and I opened the expense report form, and I chose the date in the Date field.

When I click on the Send button.

Then I stay on the expense report form page, and I am invited to fill in the amount in the Amount all taxes incl. field.

Scenario 11
